## Welcome

---

The offer of My Poland for corporate and diplomatic customers is created for those who are looking for gifts with distinction, class, originality and of exceptional quality, for their business partners and clients.

We suggest that you choose from artisan products; traditional, made by handicraft masters, or modern, to the fabrication of which we have invited talented Polish designers and young artists.

We particularly recommend our products as gifts for those who are not Polish because they bring the Polish culture and Polish traditions nearer to them.

### In our offer, you will find:

- **Christmas and Easter presents**, offered in readymade sets or prepared according to your particular order, or
- **Gifts for other occasions** – universal sets made to set forth the traditions of some of the regions of Poland, and the most beautiful Polish handiwork products, as well as presents taken from our offer of tailormade presents.
